

PP POLYPROPYLENE DRAINAGE PIPE (ECO-FRIENDLY)

Polypropylene pipes provide outstanding hydraulic and structural efficiency, renowned for their durability and cost-effectiveness in comparison to traditional drainage alternatives. Crafted from polypropylene, these pipes exhibit resistance to corrosive and aggressive ground environments.

ITEM #	ITEM DESCRIPTION
PIPBM225 6m	DN225 x 6.010m Polypropylene SN8 Stormwater Drainage Pipe BlackMAX RRJ Corrugated Twin Walled Smooth Bore
PIPBM300 6m	DN300 x 6.020m Polypropylene SN8 Stormwater Drainage Pipe BlackMAX RRJ Corrugated Twin Walled Smooth Bore
PIPBM375 6m	DN375 x 6.025m Polypropylene SN8 Stormwater Drainage Pipe BlackMAX RRJ Corrugated Twin Walled Smooth Bore
PIPBM450 6m	DN450 x 6.030m Polypropylene SN8 Stormwater Drainage Pipe BlackMAX RRJ Corrugated Twin Walled Smooth Bore
PIPBM525 6m	DN525 x 6.015m Polypropylene SN8 Stormwater Drainage Pipe BlackMAX RRJ Corrugated Twin Walled Smooth Bore
PIPBM600 6m	DN600 x 5.910m Polypropylene SN8 Stormwater Drainage Pipe BlackMAX RRJ Corrugated Twin Walled Smooth Bore

See page 87 for Concrete Pipe.
